

```
robin_hood::detail  
::BulkPoolAllocator  
< T, MinSize, MaxSize  
>::operator=
```

```
robin_hood::detail  
::BulkPoolAllocator  
< T, MinSize, MaxSize  
>::~~BulkPoolAllocator
```

```
robin_hood::detail  
::BulkPoolAllocator  
::reset
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. Arrows from the right side of each of these boxes point towards a single box on the right. The box on the right is shaded gray, while the two on the left are white with black borders. The text inside the boxes represents C++ code snippets for the robin_hood::detail::BulkPoolAllocator class.
